| <input type="checkbox"/> 5 Peaks        | Quantity: _____ |
| <input type="checkbox"/> Other          | Quantity: _____ |
|   | Total: _____    |

- Units are complete as originally manufactured.
- Units are free of foreign matter.
- Plastic is relatively clean and not contaminated with dried concrete, harmful chemicals, etc. (Normal graffiti and the like are acceptable.)
- Units are free of debris and liquids.
- Waste holding tanks, urinals, and dispensers are empty, clean, and dry.
- Units are free of all wood. Wood skids will NOT be accepted.
- Decals are removed.

Recycled units will be received during normal business hours. Units will be inspected upon arrival to ensure they meet specifications for the Recycling Program. PolyJohn personnel will be available to assist with the off-loading of units as needed. Units that do not meet the criteria of the Recycling Program will be returned to their owners at the owner's expense.
